## Lake Tahoe

Blue, deep, and alpine pure, Lake Tahoe is far and away the main reason to visit this High Sierra paradise. A ring of national forests and recreation areas linked by miles of trails makes Tahoe excellent for nature lovers.

Lake Tahoe offers so many ways to get outside to enjoy the beauty that Mother Nature gives us. Whether your desire is to sit on a beach, stand on a peak or enjoy the views from the water, there is a lifetime's worth of enjoyment around the basin.
