

New York City

As one of the world's leading metropolises for art, fashion, food and theater, New York is a city every traveler should visit. Brash and electrifying, NYC marches to its own propulsive beat. Yellow and green cabs stream down Fifth Avenue, showtime performers pull off astonishing acrobatics on subway car poles, steam pours from gratings in the street, horse-drawn carriages clatter round Central Park and sirens wail every few minutes. Once you've experienced NYC's energy, everywhere else seems slow – a 'New York minute' really does fly by. Are you ready to wake up in a city that never sleeps?
