

HOW DO YOU **NOW** REWARD YOUR TOP PERFORMING SALES ASSOCIATES?

When you are not able to gather together for a group travel event; how do you make sure that you celebrate the success of your top salespeople? During this unprecedented time, it is more important than ever that you retain, reward, and recognize their accomplishments.

NOW – Let your top performers plan their own customized travel experiences with the assistance of their personal travel concierge.

At Peerless Performance we come to work with the purpose of “Every day we enhance the quality of people’s lives”. One way we are able to accomplish this is through our Concierge Travel experiences. Our Travel Concierge team at Peerless Performance specializes in high touch individual packages and also curated individual experiences.

What do the Travel Experiences include:

- Our specialist team books flights, organizes meet and greet and transfers, secures exceptional hotels, resorts, or island adventures
- Spa treatments, private guided tours, shopping recommendations or activities of their choice – a tour through Europe maybe or a rental car to drive down scenic Highway 1 in California – all with a personal approach
- Dining reservations made to meet specific needs – whether it be a picnic in the dessert or a table just for two on a private beach
- Pre and/or post amenities
- Whether it is for a trip of a lifetime, a family holiday, a bucket list adventure – it will be tailored just for them
- The Concierge team offers end-to-end services and all along the way doing so with their security and safety in mind

Each travel experience will be unique, memorable, enjoyable, completely stress free and one that your top performers could never have had on their own. And it will not only allow them to remember **YOU** – the company that provided this memory, but it will also increase their loyalty and appreciation for your brand.
